

Yeshua is looking for an elite people, a people who will fight the enemy and stand up for the truth in his word. Is this you?

**THE TASK AHEAD OF YOU,
IS NEVER AS GREAT
AS THE POWER BEHIND
YOU.**

Get saved

Soon Lucifer will bring his one world leader on the scene a religious man; **‘The Mahdi’**.

Religious people Killed Yeshua and in the end they will try to enslave the earth. Making drones of the mass majority, like the brainwashed Islamic totalitarian countries deluded by their hateful god Allah or Lucifer, cursed by God.

Soon Yeshua’s gigantic crystal gold city will invade this planet and then rescue his chosen people, ushering in the age of peace with his eternal rulers.

Ask Yeshua inside today, tomorrow is too late.

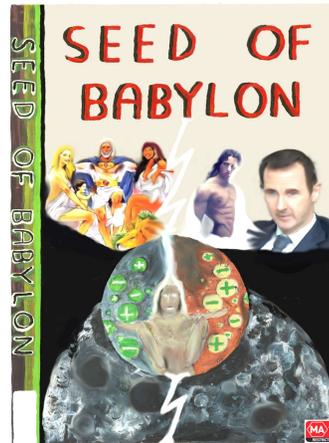

Pray this prayer: “Dear Yeshua, Forgive all my sins and enter my spirit, teach me to love others by sharing you with them.

Amen.

Download my new book, a science fiction novel of a mortal that is genetically changed by alien brothers (watchers like himself) to equip him with tele-port power.

This enables a shift in Earths concepts and brings Earth violently into the endless collective of the infinite planetary systems (The IUT theory) and hopefully eternal peace? Google: “Seed of Babylon”

Today is important, have your book of life written in a holy way, tomorrow is too late.

YESHUA

I AM

▲ Your Book of Life ▲

And the books were opened and another book was opened (Rev 20:12)

This is the reason for Earth. A birth world about to be brought into the endless earth worlds already in the kingdom. It’s all about YOUR book of life.

This eternal book of yours will follow you forever, like an eternal resume. In every world in everything you do. The most bazaar aspect of this book is how it is written.

There are immortal super beings that watch you and some are designated to write your ‘book of life’.

To think this book is written with good deeds and bad deeds is a delusion from Lucifer and his kingdom. They are important but way down the ladder compared with what matters in eternity. That which is highly esteemed among man is an abomination to God (Lk 16:15). Lucifer is a logistics genius he was 2IC in the Kingdom and has been running this world for 6,000 years. Every system in place is his design, from religion to war to money and education. *A counterfeit concept.* Gods concept was 'the garden of Eden' naked and free.

So how is your eternal resume written?

What is good works?

If you believe the atheists, it's serving the system with a whole heart. Doing the things that they have decreed and living in a non rebellious state.

If you believe God, its serving your fellow man and loving God by enacting his laws of love as explained in his word. (John 6:29)

What is Bad works?

Lucifer's says its rebellion against his enslaving laws and his ideology.

The word says it's rejecting Yeshua as Gods son and denying his standard that he originally set out. (Acts 2:44,45)

Is there a way to adjust my book of life?

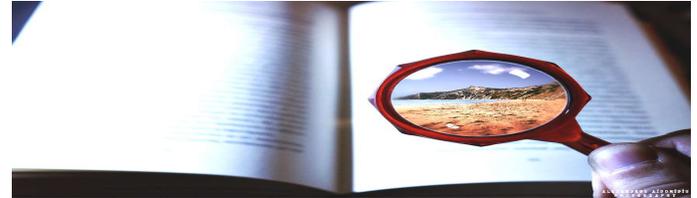

Yes; only while you're here on earth, it is forever sealed when you cross over.

There are too many regenerated earths already in the kingdom under Gods protection; to count them would be near impossible. He seeded this world not long ago and gave it to his only begotten son; Yeshua. He also has too many sons to count as He is a procreating God and considering his creation; he loves life.

Everything you do or say or think about Yeshua or God, this is the basis of the writings of this miraculous book. Some immortals books are less than a few pages and mostly negative, the rest of it is like a dark novel.

Unworthy of the most menials tasks in the kingdom only fit to burn. Some eternal books of life are in great demand in all the countless worlds under the control of God almighty.

Seek ye shall find

The Bible was written for two reasons.

1. To save and free his children
2. To judge and punish his enemies.

It's like a mountain, one wrong step and you're dead.

I call it the great JIGSAW puzzle, designed to free his children and to enslave his enemies.
