

How do you get entrance into this heavenly city, this space city!

Only perfection (Rev 21:27) can enter the twelve gates of solid pearl each one 216 feet high, the city has three level's each level 500 miles high.

To live there is a daily phenomenon, as a river flows through the city starting from the top administration level; this magic river has healing properties and permeates all 3 heavens in the city, from the mountains to the parks.

Do you want to live there forever? Yeshua or God (the owner) only asks us three things, to **believe** and **receive** and **share** His choice of savior. You then become sinless in his eyes, hidden with Yeshua and the cross: perfect.

That's his requirement!

Ask Yeshua inside today, tomorrow is too late.

Pray this prayer: "Dear Yeshua, Forgive all my sins and enter my spirit, teach me to love others by sharing you with them. Amen.

Download my new book, a science fiction novel of a mortal that is genetically changed by alien brothers (watchers like himself) to equip him with tele-port power. This enables a shift in Earth's concepts and brings Earth violently into the endless collective of the infinite planetary systems (The IUT theory) and hopefully eternal peace?

Google: **Amazon**, then search: "Seed of Babylon"

Rated: **MA 15+**. Course language and sex scenes.

*Rev21:2 And I John saw the holy city...
descend from heaven.*

The most gorgeous city ever built will enter our atmosphere soon. It has streets of crystal gold (Rev 21:21) an element from another planetary system. The city is the size of our moon and can potentially house trillions of citizens, in awesome mansions that we all share.

It's discussed in the holy bible from an advanced species that inhabit a super physical body. It's called heaven.

Revelations 21 & 22 has a full description of this majestic kingdom. This kingdom is one of many such cities that roam our milky way galaxy.

We know that God has been creating forever and we know there are endless solar systems out there, ours being but one. So who knows how many cities like this one that comes to our blue world are in the universe?

To truly imagine the splendid nature of this space city that soon enters our solar system, first you have to imagine what kind of people inhabit it. All citizens of this eternal city have supernatural physical bodies (1 Cor 15:40). They do not have blood (Lk 24:39) but still have all the senses that we have.

Your antimatter spirit lives in this new super body, only then will you understand how magnificent the holy city is and your place in it.

The key to entering this enormous crystal gold city is to be possessed with the King of this city (Rev 3:20).

To be one with him and he with you, symbiotic in that when God almighty sees you he only sees Yeshua inside you (Gal 2:20).

Soon an instant mass teleportation into a super body happens at the end of this age to all the possessed of Yeshua, called “the rapture”.

All its citizens are purged and cleansed from their faults on a daily basis, as Love and its broad mandate is the only law in this majestic wide open kingdom. This rule daily challenges each citizen to cleanse themselves from the curse of sin or lack of love.

The world does not have a clue what sin is! Most churches have failed in explaining sin and have gone down the physical track of being good. (whatever they decide that may be) The definition of sin is:

“Missing the mark”. Like in target practice and not hitting the bulls eye. Another description is: “not being perfect”.

Romans 3:23 For all have sinned and come short of the glory of God.

The unforgivable sin is not physical, but rejecting Gods word. What a twist.

You cannot be good enough to enter the crystal city.

There is nothing you could do to earn your citizenship; it can only be received as a gift.
