

Which reminds me Happy Birthday Christendom! February 2013 marks that event.

(Dan.9:27. The 7year peace pact)

This matter universe rolls apart like a scroll and the mirror universe/spirit world will open as the Kingdom appears. Like a thief it will happen so quickly. (Joel 2: 9-11) (Rev.6:14 and Isaiah 34:4)

All hail to Yeshua, *the savior*. He is the same, yesterday, today and forever. (Heb.13:8) Will you receive the "mark of the beast"! The financial system crashes soon and then will come the new system. (Rev.19:20) Also The beast hit's the 3 Kingdoms with a nuclear 1st strike (Rev 18:9, 18) 1/2 way through the peace pact.them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of fire burning with brimstone.

WARNING: Do not take the chip.

ZERUBBABEL

The Division

There is a division coming between the sheep and the goats. (Mat.25:32)

The chip government will be the divider.

(Mat.24:15)

Religion will not matter only those who receive the chip and worship the world leader, or those who refuse to be chipped and live outside the New World Order. Don't blame God on the disaster that is about to come.

It's the world leader that the **people of the world choose** as their savior (because He organizes the economy using communism Daniel 11:24 and dictates control of the masses).

He is the one that bring the horrors of the great tribulation to pass. (Mat.24:21)

He rises to power and does so many good works, and then He is killed and rises from death and is possessed by the infidel, the destroyer. (1Cor.10:10)

The Great Tribulation.

He creates 1260 days of horror on Earth, Yes Satan himself. The description of “the great tribulation” sounds like it’s an atomic war. (Zech.14:12) The man of peace, (Daniel 8:25) hailed by the world as their savior, is killed (Rev.13:3-4) and then comes back as someone so destructive, that it forces the king of the crystal city; Yeshua, to empower (Daniel 11:32-33) us His bride/church to fight this monster through the three and half years of this great tribulation to help His sheep to make it through this traumatic period, that I call (the grand final).

The notion the church has is they will be whisked away in a cloud to paradise while the pitiful sheep of the earth face 42 months of terror by themselves as they feast in some sort of opulent pleasure. What sort of eternal companion (Rev.19:7-8) would that be for the Prince of Love? We will be right here with you until the bitter end (Daniel 11:35)... amen.

When the crystal city appears from the mirror universe or spirit world, then we are teleported (1Cor.15:51-54) into our new bodies (1 Cor.15:40-43) and spend 45 days (Daniel 12:11-12) in a marriage feast with our eternal helpmate, Yeshua.

There will still be 3 nations (America, British commonwealth & Roman. Daniel 7:20) on the earth fighting this world leader (Of Russian Decent. Ezekiel 38:18 Daniel 8:9 Ancient Turkey or Russia), as they muster their armies at a valley called Mendigo. (Armageddon)

Yeshua will then release 7 vials of wrath, against whom? Not the poor sheep who are fighting against the evil serpent, in man’s flesh, but against the beast and his pathetic followers, to keep them busy while we join with Yeshua.

Then the most marvelous thing happens the King himself leads (Rev.19:14) us in a battle against whom? Not the pitiful people, but against the anti-Christ and his blood thirsty armies. You don’t want to be there fighting against God.

Yeshua is a Savior true and through. He loves and His mercy is endless.

Also, the end time is not about God reeking vengeance against helpless people, but against the evil people and the infidel himself, Lucifer.

It is a time where God saves the planet (Rev.11:18) and rescues His bride and saves the poor people who only wanted freedom and peace.

You will have two choices soon, to become part of the anti-Christ world leaders system or become part of ‘freedom’ that rejects the chip system and lives independent. We true Christians could no longer receive the “mark of the beast” as a Muslim could deny Mohamed or burn the Holy Word.

Also remember the Government has every adversary against the N.W.O. on there hit list, to round up first. This is why Yeshua said flee. (Luke 17:31-36)

Do not fear, the Lord knows your heart, if you repent and start today to become the bride Yeshua is worthy of you will be blessed during this time. As you know, His powers will be poured out in great abundance.

God has not left this world, He has graciously spoken 3 times during Earths history. How do you say? The **first** time was from Adam to the flood **1500** years. It was a time when the angels lived with man and even had children by them (Gen.6:2). Then God was silent for 400 years, the **second** time was from Moses to John the Revelator a **1600** year period a time we know as “the holy bible”. The **third** time was when God answered the prayers of His persecuted bride and raised up Constantine and the “Edict of Milian” was decreed and for **1700** years Christendom was free to preach the word.

God commands us to obey the system! The system, being judicial, employment, educational and political, at the moment as they currently operate are all blessed by God. (1 Pet.2:13-14) Though many see room for improvement. The one system God cannot bless is a system of enslavement, the taking away of freedom. The chip government and its satanic leader does this, and we are under no obligation to obey.
