

Only those that receive Yeshua can truly know freedom.

Every Christian on Earth has a job to proclaim the truth to you, whether you receive it or not.

This is the only work Yeshua asked us to do, the law is dead to us, the only law we honor is "the law of love".

The spirit of the material system is man worship; war, sports, money, education and religion is of the spirit of glorifying flesh.

We (Christians) were meant to conquer Satan's system, that's why the *holy spirit* empowers you to succeed. I assure you 'ask' and *He* will give you the system as an inheritance.

Demand that diploma; take that position, fight to become the leader Yeshua designed you to be. The entire spirit world works in your favor.

The holy spirit will guide you.

The humble in spirit are the future heirs of the celestial city; many warriors fight right on the enemy's front lines to bring about a better and more loving system here and now for there and then.

Be set free in the spirit NOW.

Ask Yeshua inside today, tomorrow is too late.

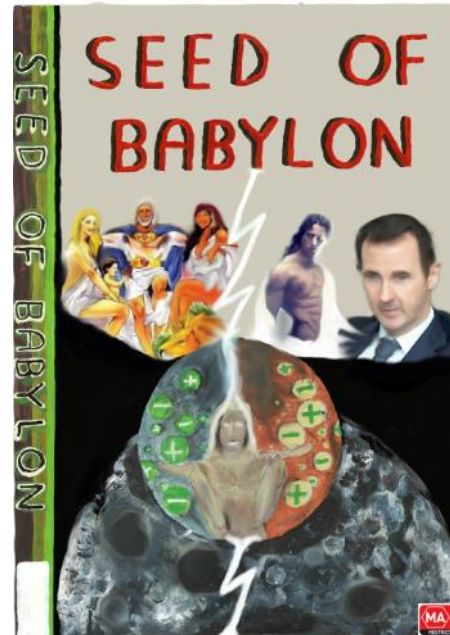

Pray this prayer: "Dear Yeshua, Forgive all my sins and enter my spirit, teach me to love others by sharing you with them. Amen.

I AM

What is FREEDOM?

John 8:36 If the Son therefore shall make you free, ye shall be free indeed.

Some fight and die for it, others dream of living it, but most never taste of it. What is freedom? Are you free?

Is freedom being able to laugh at all situations like the billionaires are doing? To have the power to either enslave your fellow man or benevolently help them?

True freedom is above this mere mortal world and transcends not just flesh but the enslavement of the mind as well.

It is impossible to be totally free in this worlds system, no mortal can, no matter how much you deceive yourself into believing you are.

The best you can be is free in spirit.

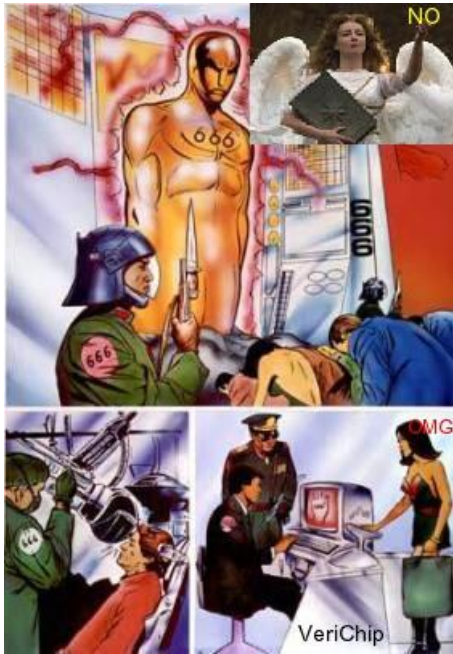

Satan owns this worlds system, he has ruled it for the last 6,000 years and he had made it after his ideology of enslavement and self worship. This is the one defining principle between his kingdom and Yeshua kingdom. We choose to worship our God by free choice and thereby are given the gift of freedom in the process.

The people who chose to reject God and the spirit that he represents, also have made an eternal choice; a bad one, as they think its OK to live for only this matter world and they reap the temporary riches of it... BUT

After you wake up from your death like a dream and for the first time you stare into your guardian's eyes, only then will it become clear to you that freedom will forever elude you, as you hear the voice of the one who spoke this Earth into being, these words that will resonate in your immortal soul: *Matt 25:41 "Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels".*

This is the fate of the unsaved.

You are an eternal being 'a god' and Yeshua knows the damage you will do through out your eternal life, as he see's it first hand in Satan whom you (though somewhat ignorantly) followed and worshiped here on Earth.

The NWO peace government is only a few years away.

MAN=666

Rev 13:18 The beast: for it is the number of a man; and his number is Six hundred threescore and six.

Idolizing man, making a god out of man or glorifying man is 666 the spirit of anti-Christ.

The Earth is a fallen planet and until Yeshua returns in his crystal city to take this world over we are commissioned to speak the truth to all men.

To preach the gospel the good news that Yeshua will forgive your sins of rejecting God and bowing down to Satan and his system.

Yeshua knows we have to survive this Earth and if being red like a radish on the outside keeps us alive then so be it. (A saying from the Christian communists.)

All hail to Yeshua the King of Kings, remember he ordained Satan to run this world and we are to respect that fact.

Yeshua has the answer. You need to be free or resign yourself to your eternal fate.

Who will you worship yourself or Yeshua. The coming anti-Christ world leader will demand worship of himself and the image that he sets up in Jerusalem where the 'dome of the rock' now stands.
