

The crystal city: heaven! Yes the promised Holy city the size of the moon with 3 levels, (2 Corinthians. 12:2) each level 500 miles high, each level has its own atmosphere.

This matter universe rolls apart like a scroll and the mirror universe/spirit world will open as the Kingdom appears. Like a thief it will happen so quickly. Don't be caught unaware. (Joel 2: 9-11) (Revelations 6:14 and Isaiah 34:4)

When the crystal city appears the mass teleporting begins. We His bride, in a moment will receive our new super bodies.

(1 Corinthians. 15:52 also 1 Cor. 15:40) Read Revelations 21 & 22. If heaven is your home? If not, maybe you're not meant to be there.

There is always the new earth the crystal city replenishes, maybe you can start then.

It's not my call. Or anyone's call. It's yours.

OR you can look into the word of God and become part of a true church system today, repent from your way and receive Jesus as your soul mate, savior and start your journey this instant.

### A Signatory Church Charter

There is a good reason to obey the blueprint of the word, it will be the only way you my brothers and sisters in Yeshua, will survive to see the crystal city enter our matter universe.

There are plenty of honorable, God like people out there who would create a Christ like share/founder charter. With a mandatory 10% tithe. 100 members are more than what Jesus/Yeshua had.

You are living in the most exciting time of His story, witnessing the 666 (Chip) anti Christ world government.

Obey (Acts 2:44&45) and you will be blessed of Yeshua protected and prospered.

I have more on my web site:

<http://www.zflash7.com>

Thy Kingdom come on earth as it is in heaven. Community church owned by the people, one body one mind, holy acceptable unto the lord. Acts.4:32.

**Question:** What is service for God?  
Building churches/clubs & maintaining them?  
Or Like Dusty here: that has spent 25 years in Thailand, helping the broken-hearted?  
**Answer:** Both! Though, one is greater.

## The 5<sup>th</sup> SEAL

The church system today is the remnant of the edict that pope Constantine set up 313 AD. But corruption turned it into the system you see today.

The society Jesus set up was an equal sharing system, with ownership by the people and the priesthood as employed by the majority, or the tribes.

The priesthood was never intended to own the kingdom on Earth. (Deuteronomy 18:2) As pope Constantine evoked.

We the bride the body were meant to own the kingdom here on Earth as it is in heaven. Since the church system has *rebelled* in this simple order, it is destined to be changed.

**February 2013** (Gods calendar) marks **1700** years of this rebellion. UNLOCKED.(Rev.6:9)

So why would God want to revive a dying system that He never intended originally, let it die and then resurrect a whole new society that is made from the blue print of the book of acts, and re-adjusted in this modern time via the global revolution that occurred 200 years ago! Yes Democracy, not dictatorship. Our forefathers that created the revolutionary democratic system that billions have enjoyed were; get this; were 90% Christian. William Gladstone PM England 1809-1892. “All that I think, all that I hope, all that I write, all that I live for is based on the divinity of Jesus Christ, the central joy of my poor wayward life, I have known 95 of the worlds greatest men of my time, and of these 87 were followers of the bible”

Our present system revolutionized during the reformation of our democratic society is more righteous (ahem, add a pinch of salt) than the present church system, that refused to give up their dictatorial control of the poor. The constitution is a result of separation of Church and state, why? The church was too powerful a dictatorship. Also, the elected leaders were meant to serve us not make us servants; (is salt good, Luke14:34) as with the new VeriChip system soon to come. Sad to say most of the world leaders’ work for the N.W.O. corporate agendas. Go figure, is anything new under the sun.

When Jesus came and hit the church system of his day, they also refused to give up their dictatorial control of the poor, so what did our King do. Fine He said; “keep your corrupt system”, and He proceeded to start the early church, the first democratic society. NO! It was not communistic as the church system will make you believe.

When the people forsook their material possessions to the leaders they in affect, declared to the people by laying it at their feet, “this is my part of the kingdom I own”, like a handshake, legal and binding. In the past they would take off their sandal and give it to the person (Ruth 4:7) feet were important as a contract. The similarity would be a share system today, or a signatory founder’s charter, with each member owning an equal share, with no family or group controlling the body, but letting the Holy Spirit elect the leaders, democratically. Yes Jesus started the first democracy and our fore fathers saw it.

Now all you my brothers and sister in the body of Christ have been giving your gifts and tythes into a system that is rebellious. (Google “Edict of Milan”) You should have been a joint owner of the church you paid into, as Jesus set up in Acts. Constantine knew this and originally made it known, but the manipulators came in and it was corrupted.

On the other hand you are 100 times better off giving even in ignorance, (Acts 17:30) than the people who forsake God and live for themselves and are destined for the vials of wrath. (Revelations 19:15) Even Jesus went to the temple run by the ones who were persecutors of Love.

Now contrary to the share system of today, the equal share you would own in your church cannot be sold or transferred and upon death is simply put back into the church. It’s like the Kingdom, you own your crystal mansion there but you could never transfer it. (John 14:2) There is no capitalism there. Don’t confuse democracy for capitalism, as its freedoms have caused many to want to rule over there fellow man.

So I say to you family of God “**own the church**”, stop backing a false system, become a community church now, because the financial system is about to crash and bring in the NWO and the cashless society, the chip will take over soon and the churches will be targeted by the world leader. To the people who are not interested in the Kingdom, the crystal city and the mirror universe/spirit world, I say, OK ...enjoy this world. Citizenship in the “crystal city” is worth more than anything this world has to offer, as you will soon see.
