

### Do you love truth.

The Lamb has become the lion. He consumed all my sins; I owe Him my eternal spirit. How about you? Do you really want your sins forever? There is no remission after this mortal life.

If your one of the forgiven.....  
Enjoy life, my friends it is later than you think..... Amen.

Me personally I still use the name Jesus as Shakespeare said, "A rose by any other name would still smell as sweet" Ha! Rose, Did He know? "The Rose of Sharon". Also the spirit interprets our hearts and besides this in the crystal city Yeshua has a new name.

Rev 3:12 "Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name". (KJV)

Even His name on Earth was marred more than any. (Isaiah Chapter 53)  
Yeshua/Jesus will return in His Kingdom, the crystal city soon, are you ready to meet Him as the lamb or the Lion?

ZFLASH7

Who was the real \*Jesus, He was a normal youth; He lived as a carpenter and had a great childhood, with one exception. He was from another realm and owned a kingdom, the crystal city.

He was a visitor on a mission to save this world from alienation from the power of all universes, **love**. How would he accomplish this task?

We all know the history of His cruel death. But how in reality did this accomplish the forgiveness of our sins?

### Sin: what is it?

Sin; is it just breaking certain laws? According to the word, sin means, “missing the mark” like in target practice, and you miss the bull’s eye. Sin is failure, loss, mistake, and theses lead to hell. For some reason Sin does not disappear.

So how can the death of a prince absolve this sin? The answer will amaze you; it’s so simple, and holy.

\*Jesus the prince, the dotting son, the heir apparent, perfect in royal love to His Father, the power. A lamb in innocence, sin to Him would be non existent. He would have seen it in our matter universe as a filthy thing; something despised and looked down upon. Perfection rules eternity in His eyes and in the anti-matter/spirit universes. They create and design perfection. Like the new bodies we receive, perfect.

Also the previous sin by the people before \*Jesus was bottled in the kingdom, like that tank in Ghostbusters, waiting to be released. \*Jesus accepted the mission to consume all the sin of humanity of those who give it to Him..... Will you?

When \*Jesus was on the cross, the vaults were opened, there was no escaping all his power was drained, nailed there, His spirit felt, and lived all that misery, pain, loss, pride, hate, all the sin before and after of His children was put into Him.

\*Jesus was the most putrid being in all the universes, shock and horror rippled thought the universes as all the super gods watched the Lamb turn into??? Satan shrieks away in madness at the sight of this creature.

Then He died, herein is the conundrum, He consumed the sin, but never committed it? We His bride/church, His companion for all eternity, see Him as pure and innocent and we always will. Why, it was our sin He took.

You the ones who keep your sin till death, will always see Him as ..... How to describe it? I don’t know I will never see Him as that.

**Did you know Satan is called the lion that walks about seeking whom he may devour?**

**Who will the King of the golden mother ship be to you?**

				
A combination of <i>iota</i> and <i>eta</i> represent the 'ye' sound of the <i>yod</i>	There is no 'sh' sound in Greek the 's' sound of <i>sigma</i> or <i>Zeus</i> is the closest	A combination of <i>omicron</i> and <i>upsilon</i> produce the 'oo' sound of the <i>waw</i>	There is no Greek letter that corresponds to the sound of <i>ayin</i>	A final <i>sigma</i> or <i>Zeus</i> is added to denote a masculine name in Greek
Ι η:- YĖ	σ :- SH	ου:- U	? :- Ā	ς

Now the original pronunciation for the name of \*Jesus is **Yĕshuā** (pronounced Yes You Are = I AM) it sound nothing like the name Pope Constantine evoked. In his day it would have sounded like Joshua, so that couldn’t be as there were too many common people with the name Joshua, so He interpreted the name as (Inous in Greek. Iesus in Latin) which became “EE-sus” pronounced GeeZeus (interpreted as Hail to Zeus) what a stroke of fate, for the common people thought Pope Constantine! Then our English language modified it to Jesus. Take it or leave it, but it is the truth and allowed by the Father, and Yeshua to bring the Romans and Greeks into Universal Christendom.
