

### Survival tips

You must become debt free and have enough supplies to last two years. How?

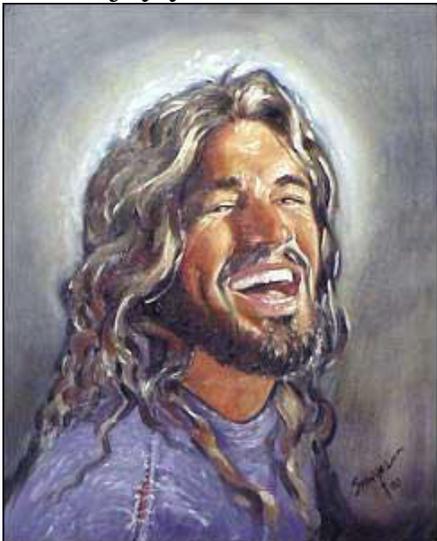

Communal living is the only answer, as the early church did 2000 years ago. There is power in unity, obey this simple guide line and you may survive to see the Kingdom enter our solar system.

Those that follow the false church will end up facing the New World Order in prisons camps, that will lead to execution.

Obey (Acts 2:44,45) and you will have one maybe two years advantage. Simple.

I have basic survival techniques on my web site [ZFLASH7.COM](http://ZFLASH7.COM)

And enjoy yourself it is later than you

Think.

Paradise on earth. For the next 1000 years the crystal city hovers over our planet as we the new super gods set up a world of peace and happiness.

I know it sounds like a fantasy, but it is all facts and scriptures of the bible. Log on to my web site for the bible book called Daniel, to understand. It was all written 500 years before Christ. Also after Jesus was raised the book of revelations was written confirming the truth of His return.

Don't let the false shepherds that are only interested in church clubs/buildings delude you.

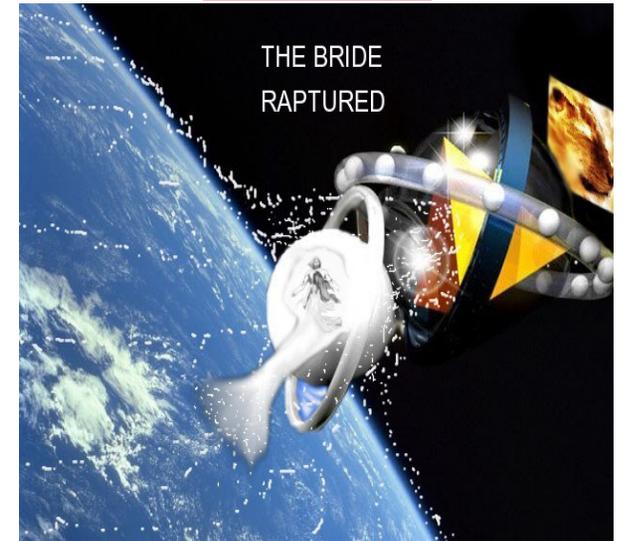

No mortal can change the word of God, even if they owned the world.

The crystal city will enter our solar system. Heaven, as it is called in Revelations 21 &22. Jesus owns it and this Earth and He also owns the new super bodies we possess with our spirits or anti-matter bodies.

The rapture will be a mass teleporting of our spirits into our new bodies.

Q. When will this occur?

A. After the great tribulation, at the 7<sup>th</sup> trumpet. When is that? Soon. 😊

There is no secret rapture as described by the false church.

The bride of Christ, individually will be faced with a choice soon.

To accept the new credit system or not.

This new computerized credit system, will be global. If you join it life will go on as usual, if you don't, you will not have a job, health care, food, car registration, rent or rates, school, electricity, fuel or anything that requires buying or selling as money in any form will be non negotiable. You may get by bartering for a few months until the system cracks down on you, as you cant pay tax?

### **What sort of world will it be like?**

Many desperate people will resort to crime, "he who lives by the sword shall die by the sword". Will patience save you? The good people who received the VeriChip credit system, will grow tired of the rebellion, and demand harsher penalties. Execution will be re-instated. Very few at first, then it will grow. Camps will be overflowing with Christian rebels. Just like with the Jews in Germany, the Christians will be despised.

Meanwhile around the globe unusual catastrophes will be frequent, and the world leader and the Alumni (the illuminated, educated) who set him up, will be fighting global wars against some rebellious nations.

After the first war that He wins, he gets lifted in pride and takes Jerusalem as his seat of government, and sets up the super computer in the newly built temple.

The second war he looses and retreats licking his wounds, and then his heart is turned against all previous treaties and he claims himself as the world dictator, or god.

Meanwhile it has been three years or so since the VeriChip became the new credit system. The rebels trading outside the system have become the despised, even the ones that do no wrong. When the global man of peace declares himself dictator, he also demand anyone not in the credit system must be put in camps, or else be hunted down and executed and quantum power becomes common.

This breaking of the treaty of voluntary VeriChip implanting, begins the time know as the "Great tribulation". There is no secrete rapture or open rapture. There is only a countdown of 1260 days till our mother ship, the crystal city, hovers over or Earth.

This space city defies all imagination, its sheer size is awesome, the size of the moon. It is a pyramid shape, length breadth and height is equal. No its not a borg cube. It shape is a mountain, a bride, and Lucifer copied it 3,000 years ago to fool the Egyptian kings.

Once it appears, the Earth will fear exceedingly. Jesus the owner of it begins the mass teleporting that takes 30 days, then we His bride become one, in a fabulous feast that lasts 45 days.

While the inhabitants of the Earth have seven vials of wrath poured out upon them, some of the rebels will still be on the earth fighting the world leader, these rebels were not Christian but refused to branded like cattle in his system.

Then the last war begins as the world leader marches on the last remaining rebel strong holds, his army is vastly superior, and the attention on the crystal city is diverted by this unbalanced war.

Then as they begin to engage, the city radiates and billions of beings pour out of the city, sweeping the earth and ending up at this battle. To destroy the world leaders army.
