

Take the species of angels for an example; they as an entity are the mother (Proverbs 8:22-31) of Yeshua that we call the Holy Spirit! When they became one with Yeshua Dad eons ago, they formed a God.

We (His wife to be) after Earth is reaped into the Kingdom will also form a God “the bride”. This process has been going on though out all the worlds that God almighty creates.

Soon Yeshua will return with His crystal city, and we will live there with Him through out all eternity. (Rev. 21&22)

Soon this world will show itself as the Hell planet it really is without Yeshua as its God.

Religion will not save you, money will not save you, being good also will not do the trick, only a personal love relationship with Yeshua will.

He's is fun incarnate, try Him you just might like Him.

If you are already saved and possessed by Yeshua, (Rev.3:20) my advice is get to know Him. Read His word in the gospels of the bible, because to know Him is to love Him. So enjoy yourself, don't get bogged down in all the laws of religion school is out and Love is the law. Yeshua came to set us free, if your not free you need to know Him.

When the anti-Christ comes to power and brings the Earth to its knees, then Yeshua will return. (1 Cor. 15:52) Get ready to meet your God.

Ask Yeshua inside today, tomorrow is too late. Pray this prayer: “Dear Yeshua, Forgive all my sins and enter my spirit, teach me to love others by sharing you with them. Amen.

YESHUA

I AM

God almighty, Allah, Love, The Power: is greater than the human mind can even comprehend.

I am the Lord God Almighty, I will have no other Gods before me

(Exodus 20:3)

It is impossible to fully conceive Him, we can only be one with Him, not be Him.

God almighty reproduces Himself on every Earth like planet that He creates (John 3:16) and He has been creating for all eternity and He will continue to create worlds and put Himself as a son on each world. (Hebrews 1:2)

Our galaxy holds billions of Earth like planets and all of these have God Almighty as a son (John 14:10) ruling on each one of them, some are already in the KINGDOM and some are yet to be reaped into the eternal Kingdom, Earth is yet to be reaped into the endless Kingdom.

There is no beginning to God almighty and there is no end to Him. The universe has billions of galaxies all of them have Earth like planets and the billions of universes also have God almighty ruling their galaxy worlds, there is no end to matter, planets, stars, galaxy's, universes, mega universes, and so on to infinity. (IUT. Infinite universe theory) Don't be deceived in pretending to yourself that you know such an entity. We mortals are sinners, we lie to God almighty, we lie to each other and we lie to ourselves, we are destined for Hell, this is a fact.

There is an answer and God almighty created it as only He could, it is Jesus/Yeshua! He does this on every birth world He creates its all a part of His design, His eternal plan, He separates a holy people to himself a people who will become apart of Him, His other half. (Revelations 19:7-9)

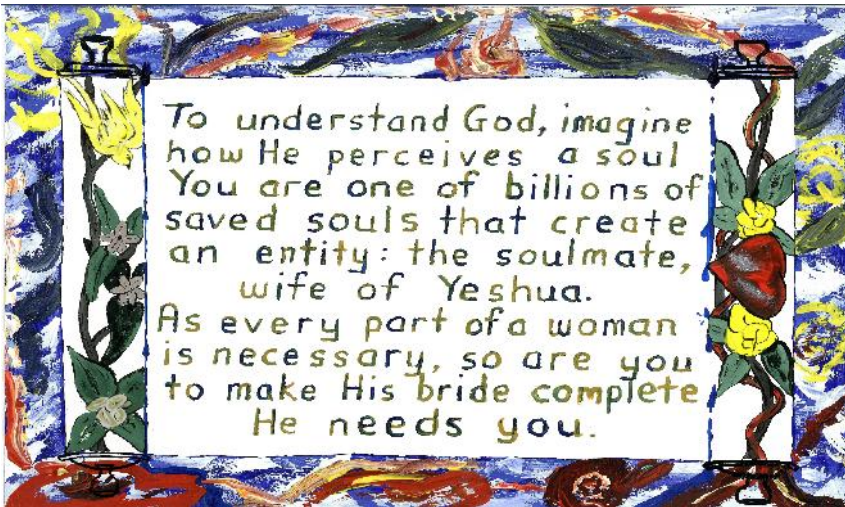

Yeshua came to Earth by impregnation 2,000 years ago, He is the very seed of His father, (Luke 1:35) who also is part of the Godhead (God almighty). Yeshua performed a simple act that showed His love to us and also opened a door for all His children to enter into the Kingdom, by receiving Him into our hearts.

No doubt His father would have preformed an act of love also on His birth world to win His people to Himself also, (1John 4:8) we know that species of people as the ANGELS, (1 Cor. 15:40) they have already been reaped into the kingdom eons ago, they have become one and are an entity in themselves the Holy Spirit. We also will be like them one day and we will become an entity ourselves, this is the end result of salvation to become one with God almighty. His lover, His wife, His other half, His soul mate.

Those of you on Earth that refuse to accept God almighty in the form of His son Yeshua, will not become one with Him, you will have to live outside the crystal city and be separate from His loving presence. (Revelations 22:15)

I don't know what form of reconciliation Yeshua will implement after the new Earth, He will do something I'm sure of that as He loves all His creatures, even the sparrow is important to Him. (Psalms 84:3)

A quote from St. Francis, "The ultimate wonder is that God loved us enough to be one of us. And he was one of us in the simplicity and vulnerability of a child."

To be one with God almighty is heaven, you could be in the lowest parts of hell and still have a smile or be in the heights of paradise and be at peace. Yeshua is God almighty to us mortals (John 10:30) Yeshua is a jealous God (Exodus 20:5) and though there are many gods He will not have any other god above Him. Like a marriage, there are too many beautiful women but only one becomes a wife, and she must be faithful to him as there are many gods and some are even more desirous; maybe? But she stays true to her husband, shepherd, soul mate, friend.

Now how can billions become one entity? Simple: Like God almighty, when a countless number of sons are in **100% unity** they form a spirit, the God an entity. It is the way of the spirit world the next universe. (John chapter 17)
