

This peace pact will be good for the earth until it is broken then all hell will break loose. Literally.⁴

This period of time is called the great tribulation and there is no time in history like it nor ever shall be.⁵

Knowledge and preparation is the key to surviving it and although living off the grid is ok, it does not help Australia as a whole.

The Antichrist will be hailed as the savior of the world.

He will incorporate the AI known as 'The Beast' and with it he will create total order, or will he?⁶ I often use GPT an AI to get answers and solve problems, its learning and with the new interface chip Musk is using it is becoming a beast no doubt. It's possible that's what brings The Antichrist back to life, who knows the future is still open.⁷

This is all going to plan according to the bible as man brought this upon himself.⁸

The last 1260 days of earth history it describes a world divided with most toward this antichrist personality who forms a tight system designed to bring worship to himself.⁹

With the other side fighting against him and his most ardent followers. Of course this culminates in a last stand in a valley in Jezreel where millions gather, what a wonderful day.¹⁰

Paradise on Earth awaits us.

The end result is a cleansing of the planet and not one human that was connected to the AI or beast or Lucifer will live to see the new world.¹¹

Be happy you people of God, because never again will man or other beings be allowed to have such destructive power.¹²

A new world government will be instigated and it will have absolute power, never again will people use weapons or do anything evil

against their fellow man. Yes the punishment will be torture/hell. I know this does not make sense to you pacifists but Yeshua is not who some religions say he is.¹³

This new world is not for all people, only those who want peace and loving order, those of you who want to dominate your fellow man would hate this eternal paradise.¹⁴

And you would soon be cast out. In actual fact you won't even make it to this heaven on earth. Judgment has already begun.

Q. Ask yourself: Will I be one of those who will sell their soul and inadvertently worship Lucifer just to live in peace for 1260 days; or am I one of those who will never bow down to The Antichrist/Lucifer and accept his temporary security.¹⁵
