

You need to find a church family; it matters not what their doctrine is as long as they worship Yeshua/Jesus as God almighty and follow the Holy Spirit.<sup>19</sup> Remember you may look like a duck and even quack like a duck

but in your soul is Yeshua; you really are an eagle,<sup>20</sup> just don't let the old ducks find out, or they will ostrich-size you.

Your book of life is written but once then comes the judgment and there are no amendments, only blotted out paragraphs in blood; (if you're saved) the rest is forever.<sup>21</sup>

Once you become one with Yeshua he will then begin the work of keeping your life on track and your immortal soul will end up in his holy city with all your loved ones.<sup>22</sup>

We are Gods offspring.<sup>23</sup> He is our Dad and wants us to be more like him.

## Ask Yeshua inside today.

Pray this prayer:

“Dear Yeshua; I believe you are Gods only begotten son. Forgive all my sins {the cross} and enter my spirit, teach me to love

others by sharing you with them”. Romans 10: 9-10 Amen.

## YESHUAs SWORD Heb 4:12

*God Almighty.*<sup>1</sup>

Who or what is God...?<sup>?</sup>and if there is only one God how can Yeshua be God and his Dad God also.

Yeshua said that unless we know God we cannot please him.<sup>2</sup>

Most do not know him they simply worship a being they call God in a type of ignorance.<sup>3</sup>

To know him is to love him because without Yeshua you will fall.<sup>4</sup>

*I AM God almighty and there is no other God beside me, I know not of any.*<sup>1</sup>

To Imagine God envision an AI computer with 1 million years of intelligence, then take away the little room that holds the AI mainframe and replace it with every atom in the universe. Then take away the algorithmic program and replace it with a loving consciousness and you will have a speck of an idea of what GOD is. God is everything and everything is God in a sense but he is more alive in one sparrow than all the buildings in all of earth.<sup>6</sup>

*It's all so simple if you're connected to the holy spirit.<sup>7</sup>*

He has a way or a purpose and it has been going on ever since he willed 1Cor13:7 two atoms to congeal and form a hydrogen molecule;<sup>8</sup> now with complex life his way is more evident. His way is manifested with the lineage he set in

order. Yeshua, then his father Elohim, then his father and his father and so on. All together they his lineage makes up God almighty.<sup>9</sup> Just as all together we the bride of Christ make up Yeshua eternal companion.

*This is why Yeshua is called God almighty and his father is the same and Yeshua and our (the bride) future son (predestined) will be called God almighty also.<sup>10</sup>*

**God wants us to become one with him and there is only one WAY, his way through Yeshua. He prayed to his Dad before he died; “make them one like us”. John 17. This is the key to eternity to be one with God; every other way leads to hell that I can promise you.**

The answer to every question is in the word of God.<sup>11</sup>

Though sadly most are too afraid of what that answer is and therefore God sends them strong delusion.<sup>12</sup> Their loss.

Yeshua said; seek and you will find and only those that seek will God bless.<sup>13</sup>

Yeshua dad is the God of the angelic beings they are His bride his holy spirit;<sup>14</sup> just as Yeshua is the God of mortals and we are his bride.

If this is starting to make sense to you, then you are a predestined child of God as he chose his wife before the foundation of this planet.<sup>15</sup>

You need to connect to Yeshua the almighty God to fulfill your purpose here on earth.

There is an intelligence out there that watches us and records every detail of our lives, even the hairs of your head are numbered.<sup>16</sup> Your eternal future is being judged right now, scary hey! Not so; this is where Yeshua comes into play as his blood bought your sins and soul.<sup>17</sup>

**IF** you receive him you will be saved if not you will be damned, never allowed to enter his kingdom. Outside forever and don't think you can work your way back. That's impossible.<sup>18</sup>
